Suzanne Payne
President

I hope the summer sunshine will draw all of us outside for some plein air painting this season.

We presented a full slate of candidates at the Annual General Meeting in April and welcomed some new leaders to the team. New to the Board are *Doug Geldart* as our new vice president and *Dawna Haywood* as co-secretary. New Executive members are: *Phyllis Pollard* (co-chair DVD Library); *Irina Voznyuk* (Photo coordinator); *Stella Dai* and *Donna Wilson* (co-chairs Shows); and *Patricia Gonzales* (Social chair). *Magda Keilhack's* role as Historian will expand to be Historian / Image Librarian. A full list of our Executive for 2019-2020 appears at the end of this newsletter. A number of membership awards were bestowed by *Carolyn Pascoe* on behalf of the Society and they are described in the Awards section of this newsletter. I will continue to focus on *Transition*, *Renewal*, and *Community*—committed to enhancing our reputation and traditions, while we adapt to change.

Let's enjoy the celebrations during this, our 35th year of operation. To kick off the festivities, *Carolyn Pascoe* organized a Special Workshop featuring guest artist Mark Mehaffey from May 7 to 10, 2019.. Preparations are under way for lots of anniversary festivities and information will be shared by e-mail, on our website, via Facebook, and at our monthly meetings.

One hundred works by our member artists were selected for the 34th Aquavision Spring Juried Art Show at Todmorden Mills, which ran from June 4 to June 16. Our juror, Marc Gagnon, made his selection from electronic submissions. Highlights of the opening reception and the awards appear in this issue of Artline. Congratulations to everyone who was juried into the show and bravo to the award winners! The success of this event relies on our volunteers at the show, the support of the executive team, and the dedicated work of Show chair *Tony Saldutto*, and we salute you. Laurels to e-mail broadcaster *Perry Chow*,

Social chair *Patricia Gonzales*, Graphic designer *Carol Berry*, Newsletter publisher *Ann Harvey*, Photo coordinator *Irina Voznyuk*, Publicity chair *Debora Alcide*, Telephone chair *Elizabeth Ward*, Website coordinator *Tracey Narduzzi*, VP *Doug Geldart* for posting signage and constructing a new storage case for signs, Directors *Margaret Roseman*, *Patrick Donohue* and *Carolyn Pascoe* for their juror suggestions, and the many volunteers who supported the success of this Show.

The Sunnybrook Art Show and Sale, featured the works of 24 of our artist members (May 11 to June 22). Thank you to *Kim Yong* for organizing and administering this event.

Thank you to *Bess Catic-Ahmed* and *Rodger Covey* for a wonderful workshop with guest artist, Dan Whalen (June 22-23). We all smiled when he told us, "A painting is a diary of every stroke—and half of them broke your heart. It's always good to set it aside for a while, then look at it again."

Welcome to our new Director *Nancy Newman*! *Margaret Roseman* has written a lovely introduction in this newsletter.

Come enjoy some 'plein air' painting with Yaohua Yan at the Gardener's Cottage at Kew Gardens (see also website for details). This President's Paint-out replaces our monthly meeting in July. Plan to join us on Wednesday, July 10 (rain date: July 11).

Save the Date: October 20 for 35th Anniversary Luncheon at the Thornhill Club (formerly Thornhill Golf & Country Club). Details and instructions for payment have been e-mailed to everyone by *Perry Chow* on behalf of *Nancy Newman*.

In Memoriam

Obituary: Colleen Timmins (February 2, 1949- April 6, 2019)

(by Carolyne Pascoe)

It is with great sadness that I report the passing of Colleen Timmins, our loyal Secretary of TWS for 6 years (2012-2018).

Colleen lost her 16 months courageous and valiant battle with ovarian cancer at the age of 70. She passed away peacefully at Lakeridge Health Centre in Oshawa on April 6, 2019.

Colleen was a mother, grandmother, daughter, sister, artist, teacher and good friend to many.

Colleen taught elementary school, as a grade teacher and librarian/ student advisor in both Durham and Scarborough. Her students and their parents felt that she was kind, caring and so helpful to encourage her students to do their best. She touched the lives of so many students and their parents with many wonderful memories.

Colleen lived her life with passion, filling it with family, traveling, painting and teaching. She was a person who would always put others ahead of herself.

Over the years she travelled to Europe, China, the USA and the family cottage in Fenelon Falls. Her most recent trip was to Paint in Tuscany in 2017 with artist/instructor John David Anderson and fellow artists TWS members Franca Montalbetti and Eva Johnson.

As an artist, she painted beautiful serene watercolour paintings. She was an active member of the Pine Ridge Arts Council, Ajax Creative Arts group and the Oshawa Art Club where she participated in many of their shows.

She was juried into a number of Toronto Watercolour Society shows. In her first year being a TWS member, I asked if she would like to volunteer and she willingly agreed to take on the position as Secretary of the Executive and Board. Colleen did an incredible job as she brought her laptop to each meeting and typed the minutes of every meeting during our discussions.

COLLEEN TIMMINS

In this volunteer position, Colleen put together five Annual reports (a tremendous job) with true professionalism! This document is so important to our archives and to the organization of TWS. In addition, she willingly volunteered for a number of other jobs to help other TWS members, including me.

She leaves behind two children, Andrew (Melissa) and Ryan (Mae); three grandchildren Benjamin, James, and Owen; long time partner Bill Smethurst ; brothers and sisters Michael (Perie), John, Terry (Joyce), Cathy (Bruce), Mary Jane; and loving mother Catherine Higgins.

In addition to family, colleagues and friends, TWS members, Hi-Sook Barker, Linda Down, Franca Montalbetti, Farid Ahmadi and CI attended the visitation and funeral held at Colleen's Church in Pickering.

A large blue and white floral arrangement was sent on behalf of TWS members to the visitation and reception.

I spoke at the reception on behalf of our TWS members, expressing our gratitude for Colleen's contribution to the Society, and ended with, "We will miss Colleen's beautiful smile, warm personality, wonderful paintings and her kind and giving volunteerism as our faithful secretary for our art group for 6 years. She will always be remembered and honoured in the history of TWS".

Special Announcement

Nancy Newman, TWS Director

We welcome Nancy Newman to the position of Director of the Toronto Watercolour Society. This designation of service was created as a five - year term of office with the purpose of Directors providing guidance with policy and administration and to support long term planning. This directorial position was first introduced to the Society in 1996. Each of our past Directors have shown their dedication and commitment to the group and have given selflessly of their time to ensure continued success for TWS.

Nancy Newman was an elementary school teacher in North York and York Region for 35 years. She held a leadership role for many years, specializing in literacy and the arts. Curriculum writing and running professional leadership workshops added another dimension to her teaching career.

Coming from a family of educators, a love of learning and creativity was instilled in her at an early age. Nancy passed on her love of the arts to other teachers as an instructor for Nipissing University Visual Arts Specialist courses.

Before retiring in 2009, Nancy began teaching watercolour courses for the Town of Aurora and has continued to teach regularly at the Aurora Cultural Centre.

Nancy is a past President of the Society of York Region Artists and is currently an area representative for IWS Canada. She is a guest instructor at several art societies in Ontario and runs yearly trips for artists in Spain and Ireland.

NANCY NEWMAN

Nancy joined TWS in 2006, after quite a long wait time. She has said that “It was well worth the wait”. Nancy joined the executive in 2007, assisting the workshop chair at that time, Lise Genova.

In 2009, Nancy was asked to act as Vice President, and assist with the upcoming Anniversary Celebrations.

In 2010, Nancy started her two- year term as president of TWS. Back in those days, the challenge was to transition to the use of email and the dreaded computer. Nancy tackled this call with ease!

During her time with TWS, Nancy has appreciated the friendship and wonderful learning opportunities provided by our art group.

She brings a great deal of knowledge, experience and a positive attitude to her new role as Director.

Bianka Guna

A Fond Farewell to Bianka Guna written by
Carolyn Pascoe

At the end of July, TWS Signature member Bianka Guna will be moving to Victoria, Vancouver Island, British Columbia to live closer to her daughter Ada, son in law Grant, and her adorable 6 month old granddaughter Leica. After visiting her daughter this past December, when her granddaughter was born, Bianka, her husband Dan and her mother Leica decided it was time to pull up roots here in Toronto, and move closer to family in Victoria.

Bianka has been an active member in Toronto Watercolour Society for 14 years. She was on the Executive of TWS for 2 years in the role of Show Chair. Bianka and Carolyn Pascoe were instrumental in securing space for our 25th Fall Anniversary show at the Columbus Centre and our Spring Anniversary Show at Todmorden-Paper Mill Gallery. We have continued to have our shows at Todmorden for the past ten years.

Bianka stepped down from her position at TWS to open a beautiful gallery in the Distillery District of Toronto and to become the Representative Artist and Teacher for Golden Paints in Toronto, the GTA and southern Ontario. She was an incredible instructor, demonstrator and "walking book of knowledge" for all of their products which include acrylics, watercolours, oil paints, gels and mediums and much more.

She shared her knowledge and painting skills of non-objective abstract and expressionistic art, on numerous art demonstrations for TWS as well as many of our weekend workshops. Bianka always shared her knowledge and painting expertise with warmth, positive encouragement and a wonderful sense of humour. All of us at TWS, as well as many art groups across the province have truly benefitted from her teaching and her contagious enthusiasm for art.

CAROLYNE PASCOE, BIANKA GUNA

For many years, she enabled us to stretch our knowledge by alerting us to new artists around the world via the internet.

Bianka's own work ethic of painting every day made her truly an inspiration to us all!

We will miss seeing her at our meetings: her warm hello's, her hugs and that twinkle in her eyes when she was talking about art, especially watercolour - her favourite medium!

Do come back to visit us, Bianka, when you are back in Toronto. You will always be welcome at TWS.

Anyone who would like to send "farewell wishes and greetings" may send Bianka a note to her email address; bianka@biankaguna.com
