Eleanor Lowden President, TWS

Eleanor Lowden
President TWS

Wow, what a fantastic summer we have had – hot and humid and just what I love about Toronto summers. I know not all of you agree with me, but I never complain about the heat, because there are way too many cold days to deal with that need my fiercest vitriol.

I traveled to Thailand, Cambodia and Vietnam this past June, and although not inspired to paint the landscape, I found inspiration in the culture, colors, food and the people of these countries. Our trip was uneventful in a good way, and rich with great, great memories. I took over 1200 photos; everywhere we went was so breathtaking.

On July 13th, 10 eager member-artists and I met at Riverdale Farms for the annual TWS July President's Day Paint Out. We had a very hot sunny day, but the location was great. There was parking, and there were many places to paint animals, buildings, flowers and people. I have decided to allow the members that came out to the paint-out to count their attendance towards their required 4 annual meetings. I would love to see a large group attend the paint out day; it is a great way to socialize, and if the weather is good, a wonderful painting opportunity too.

In September, we have the Rex Beanland workshop September 12,13, and 14 at the Assembly Hall. It should be a great 3-day workshop. For those of you who aren't able to participate, Rex will be doing the demonstration on Wednesday Sept 14th at our monthly meeting.

On October 17 - 31, we will have our fall TWS show. I anticipate lots of members will want to submit works for the show jury. I know that participation in the spring show at Neilsen Park was down because of the size restrictions. There are no size restrictions at Todmorden Mills, so I hope to see all of you on jury day! If you would like to assist in show duties and are willing to help on October 17, from 12-4, please contact Larry Kavanagh or myself. The timeline for drop-off is tight; we are requesting all works be delivered from 12:30 to 1pm. The more volunteers we have to facilitate the drop-off, the better.

We have also been awarded a show at the John B. Aird Gallery sometime in 2017. I will keep you posted on the details, and dates for this show!

Thanks,

Eleanor Lowden

Pauline Holancin

Congratulations to Pauline Holancin, who won the Best in Show Award, for her painting, "Along the Opeongo" at the Willowdale Art Club - Spring Art show, held at Todmorden Mills Gallery, April 4th-18, 2016.

The Scarborough Art Guild held its annual Arthur Award Show at Studio 888 on Queen Street in the Beach. New TWS member ,Melinda Calway and Carolyne Pascoe, were delighted to be 2 of the 30 artists that had work selected for this show. The juror, Clarrisa Lewis, had to choose 30 paintings from almost 300 paintings submitted on the jury night.

Five names were omitted from our report in the March newsletter on the CSPWC "Reflections Show", held at the Etobicoke Civic Centre in March, 2016. Gil Cameron, who was one of the two judges, and Rayne Tunley, President of CSPWC and organizer of the show (also a new TWS member) had their paintings on display at the show as well as TWS members who were juried into the show. Vera Bobson CSPWC, Wilf McOstrich CSPWC, Peter Marsh CSPWC, Carolyne Pascoe, Associate and Charline Gardhouse, Associate, Gil Caldwell CSPWC, and John Reid CSPWC, were omitted from the report. Congrats to all the TWS members who were represented in this national show of watercolour paintings.

News and Notes

DVD Library

DVD's have been unavailable for several months. With new rules established by our executive and board members, DVD's can be rented out as of June 8th to all members. Thanks to Margaret Roseman, our DVD collection has increased and been improved for everyone's benefit. DVD's are numbered alphabetically on the sign out sheet, every DVD in a protective case, if previously missing and labeled under TWS property.

Each person who borrows a DVD must now leave a \$5.00 deposit per DVD. Two DVD's can be rented by a member/month. The \$5.00 will be refunded, provided the DVD is returned at the next meeting. If the DVD is returned one

month later, the member forfeits his/her deposit and pays an additional \$5.00 late fee equaling \$10.00/DVD.

After two months of no return, the borrower is required to pay \$40.00 for a new DVD

Our new borrowing policy will encourage each member to diligently return their DVD on time. To make the transition to return and borrow DVD's at each meeting the DVD library will appreciate volunteers to help out at the DVD table. Thank you in advance.

Meeting Schedule

September 14, 2016

Rex Beanland

Rex is a Calgary based artist whom we invited to do a three day workshop and demonstration at our monthly meeting.

Rex's most important artistic achievements include Signature status in the Canadian Society of Painters in Water Colour (CSPWC) and Signature status with the Federation of Canadian Artist (FCA) and principal instructor at the Watercolour Symposium, presented by the CSPWC in Nova Scotia in 2015.

Rex is fascinated by people; he is amused, inspired and intrigued by the things they do.

He paints cityscapes and captures the interaction between people and the places in which they live. He spends a lot of time wandering streets and back alleys, searching for fleeting glimpses of people going about their business. For him painting is about story telling and he observes people working, playing or just hanging around.

Rex has been a full time painter for the last 18 years,

since retiring as a public school teacher.

October 12, 2016

We are trying something new!

We are inviting six of our own members to demonstrate one landscape, which will be supplied by Eleanor.

Abstract and realistic painters will interpret the same landscape. The Landscape will be shown on a large screen and each painter will get a copy to paint from.

It should be an informative and fund evening for our members.

Please come out and support your fellow artists. We will announce the names at our September meeting.

November 9, 2016

Rob Croxford

Rob is a full time artist who lives in East Toronto. He will be our demonstrator for the evening.

In the last decade, he has shown in almost 100 juried and solo exhibitions and has completed more than 850 works of Art.

Rob has participated in the Toronto International Art Fair, eight exhibitions at The Artist Project, as well as showing in Kelowna, BC, and in the USA.

He is featured in "The Hogtown Project" coffee table book and is represented in the City of Toronto's permanent Art Collection.

He was also commissioned by the TV Series, "Bomb Girls," to produce artwork for their show.

Rob has been profiled in Argyle Magazine, Neighbourhood Living Magazine, The S.C.A. Journal, Spacing Magazine and many others.

Rob's vintage-styles work is instantly identifiable; it is playful, mostly clever, slightly twisted, and often has a "pocket-sized" political edge.

Rob is a professional artist/entertainer/activist/smarty-pants, and is always looking for new ways to challenge and amuse.

December 14, 2016

Annual Holiday Party.

Details will be announced at a later date!

June 2016 Workshop

Painting Plein Air Watercolour in North York, with Jake Mol

By Suzanne Payne

Thirteen TWS members, including three of our new members, joined Jake Mol for an outdoor "plein air" session at the Earl Bales Community Centre on Sunday, June 19.

Jake had chosen a white century house nestled in the trees for his subject.

On this hot, sunny day, we were all cool and comfortable under the shade of the trees as we first watched Jake do his demo, then took up our brushes.

After lunch, Jake critiqued each of our paintings.

ABOUT THE ARTIST

Born in the Netherlands, Jake Mol arrived in Canada in 1952 as a teenager, continuing his art education at several Ontario Colleges such as Central Tech, O.C.A. and others, while also taking part in workshops with prominent North American artists.

Jake first received public interest across North America in 1964 with a published portrait of John F. Kennedy. Since 1969, Jake has received many awards in juried shows and has participated in over 60 Solo / Duo and Group shows.

Jake is an Elected member of the Canadian Society of Painters in Watercolour (CSPWC), a Signature member of the Toronto Watercolour Society (TWS), a Charter member of the Vodka Painters of Canada, and a member or associate member of numerous North American art societies. He is a well-liked, respected and sought after Painter, Instructor and Juror.

His charcoal portrait of Chief Joseph is displayed in the Crazy Horse Museum of South Dakota. Jake's work can be found in many private and corporate collections in North and South America, Asia, Australia, Africa, and Europe.

Artists Pauline Holancin and Jake Mol have been living in York Region since 1982 and every autumn they host a two week-end Open House Exhibition and Sale of Recent Work at Tamarack Studios. The exhibit includes oils and watercolours painted on location in France, Mexico, the United States, and various locations in Canada. Their Annual Open House draws many art lovers to view their original watercolours and oils. Paintings may be viewed at other times by appointment. Their home and studios are located at 968 Queensville Side Rd.E.RR#1, Queensville, Ontario L0G 1R0.

July Paintout with Eleanor Lowden

Meeting Demonstrator

August 10, 2016

Stella Dai

When painting, Stella immerses herself fully as demonstrated by her demo in August.

Her style combines realism and impressionism.

Stella controls her brush with bold strokes, yet shows a sensitive feeling towards her subject matter, which reveals her oriental background.

The presentation for TWS had everyone watching carefully. It was a most enjoyable evening.

Stella is a member of the Toronto Watercolour Society and the Bayview Watercolour Society. In 2014 and 2015 her paintings were selected by the Canadian Society of Painters in Watercolour's annual Open Water Exhibition. Stella has won many awards and was the recipient of the Silver medal at the Toronto Watercolour Society's Spring show.

Wilf McOstrich

This whimsical watercolour of an outdoor “Johnny on the Spot”, was featured in an article by Wilf McOstrich in the Globe and Mail dated June 6, 2016.

It was a half page story on observations of such a facility plonked at the house next door, which was undergoing renovations.

It is whimsical (as was the article) and, mayhap, a first for a TWS member in which to get artwork featured in the august pages of the venerable Toronto Globe and Mail.

A visit to Lise Genova's Art Gallery

Summerside, P.E.I., August 2016

By *Carolyn Pascoe*

Many of the long standing members of TWS will remember Lise Genova Lise, who was a 25 year member of TWS and a busy executive member.

She moved to Prince Edward Island in 2009, at the start of our 25 year Anniversary celebrations

Before Lise left, she was presented with the Executive Volunteer Service Award for her contributions to TWS in her many positions on the executive including workshop chair.

Lise Genova

I paid a surprise visit to see Lise, her new husband and her art gallery. It was a wonderful surprise! She told me I was the first one of her many art friends from the Toronto and Mississauga area to visit her.

We saw her gallery, new paintings and her beautiful garden for which she had just won the PEI Best Home Garden Award and Best Senior Garden Award for the province.

Lise continues to volunteer and is now President of the Summerside Artists's group as well as President of a Co-op Artist Gallery in Kensington.

When we were in her gallery, it was a great honour to pin on her a 25 year pin and the TWS anniversary pin.

There in her gallery, beside her two recent Garden Awards, her beautiful TWS plaque was proudly displayed.

Lise will welcome future PEI visitors from TWS anytime, she said. To see some of her new paintings visit genovartstudio.com

After our lovely visit, we left to see her co-op gallery, and also a most wonderful gallery, called The **Dunes** Studio ART Gallery, on the east side of the island (Brackley Beach).

I have never been to such a beautiful architectural building as this, with its multi unusual floors, potter studios, art galleries, crafts shops, accessories shops, restaurant and beautiful gardens and sculptor garden. If you are ever in PEI, it is a must see!!

Also in PEI, I visited a couple galleries in Charlottetown, and was pleasantly surprised to see the **DETAILS FINE ART Gallery** on Victoria Row, displaying President **Eleanor Lowden's**, paintings, and a couple of **Bonnie Steinberg's** watercolours.

Just a couple days after we left PEI, Eleanor came from Toronto to do a demo at this gallery! What a small world!!
