SECOND INFORMAL PLEIN AIR PAINT OUT at: MILNE DAM CONSERVATION PARK SUNDAY JULY 25th 10:00 am

This location has parking and flat trails that lead to various points of view along the Rouge River. The conservation park is east of McCowan Road, north of Hwy 407 and south of Hwy 7.

There are porta potties adjacent to the parking lot as shown above. We can paint anywhere in the park, there appears to be a wide beach area and a hanging bridge within the forest area to the east. After 3 hours of painting, we will meet at 1:00pm back at the parking lot/porta potties area to view our paintings in a socially distanced manner. My cell is 416-708-6782 if you get lost or just want to check in. If you text me, please identify who you are. See you there!

Doug Geldart, President, TWS
