SECOND INFORMAL PAINT OUT JULY 25th & SECOND PRESIDENT'S PAINT OUT AUGUST 18th

With Fall fast approaching, and looking back at the summer activities, we had a dedicated core of members who participated in both paint outs, with further requests to have more. There will be a general announcement regarding when the next informal paint out will occur- look for it in mid-September.

Here are some of the paintings done at both the Second Informal and the Second President's Paint Outs. Hope you enjoy seeing these and get inspired to join us, or simply get out and paint!

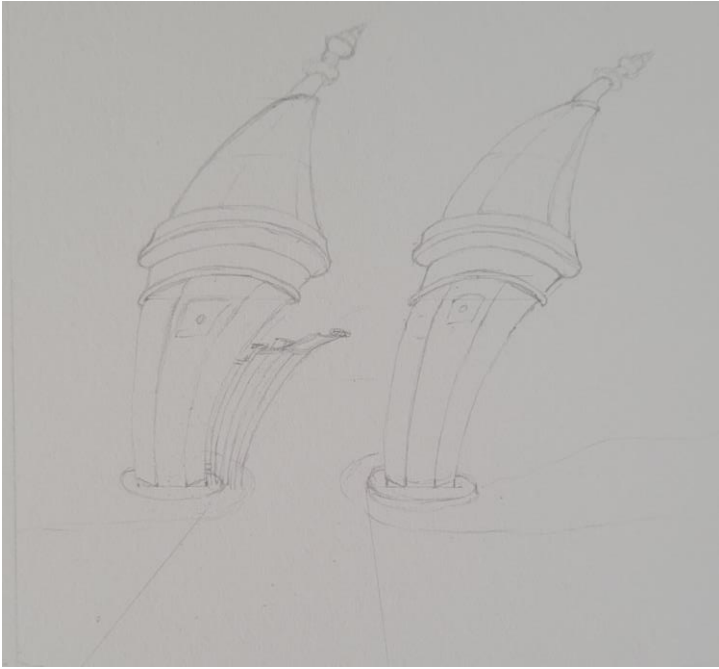

Here are some pics from our informal paint out at the Milne Dam Conservation Park on July 25th with 10 people showing up.

Here are some pics from our second President's Paint Out at the Guild Inn Estates on Aug 18th with 7 people showing up.
